✓ 3. (Unclassified - LLM) LIAISON Bill Espinosa, AID, called and said Representative Donald Fraser (D., Minn.) was introducing an amendment dealing with human rights attached to the Security Assistance bill, the gist of which says unless we go through long reporting requirements, there will be no security assistance and wanted to know if this caused us any problems. I told Espinosa that I did not think that it would but I would have our guys check on this and be back in touch.
